Instructions for Uploading Sermons to SoundCloud

- Go to www.soundcloud.com
- Click the sign-in button (top right)
 - Login: media@goodshepherd.com
 - Password: [REDACTED]
- Once logged in, click "Upload" (located just to the right of the search field)
- Select "Choose File to Upload"
- Select the file you wish to upload from your computer and click "open"
- Fill in "Title" as "Month Day-Day, Year Sermon" (ex: April 21-22, 2018 Sermon)
- Select "Religion and Spirituality" as the Genre
- **I will fill in the tags and description for the time being – you don't need to worry about this.** This may change in the future if people have interest in doing this part of the upload.
- Make sure the "Availability" is selected as "Public" and click "Save" to finish it up.

That's it!
